

Parking at Readifolk

Unlike most other town centre venues, Readifolk does have a reasonable amount of free off-street parking.

Our main car park, South Street entrance, has 15 – 20 parking spaces. You are requested to avoid double-parking as 24 hour access is required to the on-site garage and for emergency vehicle access.

There are an additional 10 – 12 parking spaces at the front of Watlington House – approach via London Road and Watlington Street. It is a 50m walk to the South Street entrance.

If the on-site car parks are full there are 18 on-street parking spaces on the west side of Sidmouth Street (adjacent to Kendrick School). This is a pay and display parking area but from 8pm to 8 am parking is free. Parking charge for 20 minutes is just 70p. Arrive at 7:40 and pay 70p and the rest of the evening is free. It is about 2minutes walk to the South Street club entrance.

Please note that in all streets adjacent to the club i.e. Watlington Street, South Street and The Grove parking is for permit holders only.

The nearest public car park is in Queen's Road (RG1 4PX) and is about 5 minutes walk from the South Street entrance. A fixed charge of £3.50 applies for overnight parking from 6pm to 8am
